Flu and Covid

We have our Flu and Covid clinics well under way! If you are eligible, or if your child aged 2-3 still needs vaccinating and haven't booked your appointment yet, please contact us.

Getting your Flu and Covid vaccinations are the best way to protect you from serious illness.

Please note we will only be offering the Covid vaccine to patients aged over 75 years old and the severely immunosuppressed.

Remember our top tips when coming to our clinics for your vaccine:

Please don't come early, short sleeves = happy nurse, walk or park off site if you can to allow those who can't do so.

Thank you for your support.

Training

The surgery will be closed from 12 noon on Wednesday 14th October and Tuesday 24th November for training.

Please note, there will be no repeat medication line at Mowbray House on this day.

If you require urgent medical assistance before we re-open, please call the practice and follow the prompts.

In an emergency, please call 999.

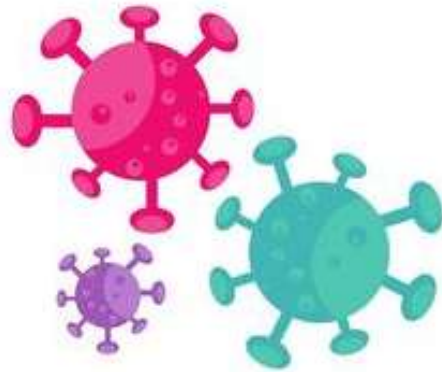

TATUK Virology

We are now offering a free test at home service for common respiratory viruses as part of national surveillance. If you have had a new cough, sore throat, runny nose or shortness of breath starting in the last 4 days, you can order a swab kit to your home. You will need our voucher code of B82050 and your NHS number. You will receive your results within 1-2 weeks via test message from the service.

Results – you will receive either a negative result, or a result for one of the following:

- SARS-CoV-2
- Influenza A and B
- RSV A and B
- hMPV
- Adenovirus

Macmillan coffee morning

Mowbray Group Surgeries took part in Macmillan coffee morning to raise funds to support the almost 3.5 million people in the UK living with cancer. We held a staff bake sale and managed to raise a fantastic £180.01!

WORLD'S BIGGEST
COFFEE
MORNING

The Hub

Free CPR Training at The Hub.

Friday 16th October is Restart a Heart Day. A day to raise awareness of cardiac arrest. A day to learn CPR. A day to learn how to use the AED.

Visiting the Hub at Hutton Rudby 6pm-7pm.

Please contact the Hub if you would like to attend.

World Menopause Day

World Menopause Day takes place on 18th October 2026.

Menopause and perimenopause are a natural part of life. This happens when your periods change and eventually stop due to lower hormone levels. It usually affects women between 45 and 55 but it can happen earlier. It affects anyone who has periods. Symptoms can include changes to your period, hot flushes and night sweats, sleep problems, mood changes and brain fog, weight gain, palpitations, headaches, muscle aches and skin changes.

We have a specialised women's health nurse for patients who want to discuss the menopause and appropriate treatments and support that are available. Book your appointment with Jayne to discuss your symptoms.

For more info visit: www.nhs.uk/conditions/menopause-and-perimenopause

For support you can visit the following national charities and support networks:

<https://themenopausecharity.org/>

<https://www.womens-health-concern.org/>

<https://rockmy.com/>

<https://www.imsociety.org>

Warm Welcome Spaces

Warm Welcome Spaces are spaces in the community who offer a warm space to go to. Warm spaces are heated and able to provide basic refreshments such as tea/coffee. They are inclusive, non-judgmental spaces where everyone can expect a warm welcome from staff and volunteers. Warm spaces are free to enter, there are lots of free activities that you can join and many spaces have free wi-fi and computers you can use. Every warm welcome space will have a safeguarding policy.

Over 14.4 million people live in poverty in the UK and 7% of people experience chronic loneliness.

To find your nearest Warm Welcome Space you can search the online map at www.warmwelcome.uk/find-a-space

The map enables you to search by location and will show you all the local Warm Welcome Spaces close to where you or a loved one lives. You will find details about when the Space is open and the activities on offer.

To get involved or register a Space, visit:

www.warmwelcome.uk

Climate Corner

Do you know your carbon footprint?

Take the questionnaire by visiting: <https://footprint.wwf.org.uk>

Our world is in crisis - from climate change to the pollution in our oceans and devastation of our forests. It's up to all of us to fix it. Take your first step with WWF's UK based environmental footprint calculator. It was created with the Stockholm Environment Institute at the University of York and the University of Leeds.

You can also download the My Footprint app to challenge yourself to make a difference by making small changes in your own life that add up to something bigger.

Every warm welcome space will have a safeguarding policy.

Over 14.4 million people live in poverty in the UK and 7% of people experience chronic loneliness.

To find your nearest Warm Welcome Space you can search the online map at www.warmwelcome.uk/find-a-space

The map enables you to search by location and will show you all the local Warm Welcome Spaces close to where you or a loved one lives. You will find details about when the Space is open and the activities on offer.

To get involved or register a Space, visit:

www.warmwelcome.uk

Climate Corner

Do you know your carbon footprint?

Take the questionnaire by visiting: <https://footprint.wwf.org.uk>

Our world is in crisis - from climate change to the pollution in our oceans and devastation of our forests. It's up to all of us to fix it. Take your first step with WWF's UK based environmental footprint calculator. It was created with the Stockholm Environment Institute at the University of York and the University of Leeds.

You can also download the My Footprint app to challenge yourself to make a difference by making small changes in your own life that add up to something bigger.

Flu and Covid

We have our Flu and Covid clinics well under way! If you are eligible, or if your child aged 2-3 still needs vaccinating and haven't booked your appointment yet, please contact us.

Getting your Flu and Covid vaccinations are the best way to protect you from serious illness.

Please note we will only be offering the Covid vaccine to patients aged over 75 years old and the severely immunosuppressed.

Remember our top tips when coming to our clinics for your vaccine:

Please don't come early, short sleeves = happy nurse, walk or park off site if you can to allow those who can't do so.

Thank you for your support.

Training

The surgery will be closed from 12 noon on Wednesday 14th October and Tuesday 24th November for training.

Please note, there will be no repeat medication line at Mowbray House on this day.

If you require urgent medical assistance before we re-open, please call the practice and follow the prompts.

In an emergency, please call 999.

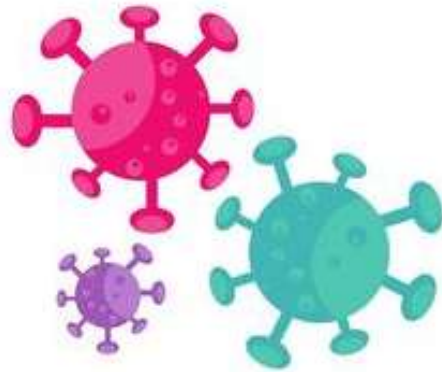

TATUK Virology

We are now offering a free test at home service for common respiratory viruses as part of national surveillance. If you have had a new cough, sore throat, runny nose or shortness of breath starting in the last 4 days, you can order a swab kit to your home. You will need our voucher code of B82050 and your NHS number. You will receive your results within 1-2 weeks via test message from the service.

Results – you will receive either a negative result, or a result for one of the following:

- SARS-CoV-2
- Influenza A and B
- RSV A and B
- hMPV
- Adenovirus

Macmillan coffee morning

Mowbray Group Surgeries took part in Macmillan coffee morning to raise funds to support the almost 3.5 million people in the UK living with cancer. We held a staff bake sale and managed to raise a fantastic £180.01!

WORLD'S BIGGEST
COFFEE
MORNING

The Hub

Free CPR Training at The Hub.

Friday 16th October is Restart a Heart Day. A day to raise awareness of cardiac arrest. A day to learn CPR. A day to learn how to use the AED.

Visiting the Hub at Hutton Rudby 6pm-7pm.

Please contact the Hub if you would like to attend.

World Menopause Day

World Menopause Day takes place on 18th October 2026.

Menopause and perimenopause are a natural part of life. This happens when your periods change and eventually stop due to lower hormone levels. It usually affects women between 45 and 55 but it can happen earlier. It affects anyone who has periods. Symptoms can include changes to your period, hot flushes and night sweats, sleep problems, mood changes and brain fog, weight gain, palpitations, headaches, muscle aches and skin changes.

We have a specialised women's health nurse for patients who want to discuss the menopause and appropriate treatments and support that are available. Book your appointment with Jayne to discuss your symptoms.

For more info visit: www.nhs.uk/conditions/menopause-and-perimenopause

For support you can visit the following national charities and support networks:

<https://themenopausecharity.org/>

<https://www.womens-health-concern.org/>

<https://rockmy.com/>

<https://www.imsociety.org>

Warm Welcome Spaces

Warm Welcome Spaces are spaces in the community who offer a warm space to go to. Warm spaces are heated and able to provide basic refreshments such as tea/coffee. They are inclusive, non-judgmental spaces where everyone can expect a warm welcome from staff and volunteers. Warm spaces are free to enter, there are lots of free activities that you can join and many spaces have free wi-fi and computers you can use. Every warm welcome space will have a safeguarding policy.

Over 14.4 million people live in poverty in the UK and 7% of people experience chronic loneliness.

To find your nearest Warm Welcome Space you can search the online map at www.warmwelcome.uk/find-a-space

The map enables you to search by location and will show you all the local Warm Welcome Spaces close to where you or a loved one lives. You will find details about when the Space is open and the activities on offer.

It usually affects women between 45 and 55 but it can happen earlier. It affects anyone who has periods. Symptoms can include changes to your period, hot flushes and night sweats, sleep problems, mood changes and brain fog, weight gain, palpitations, headaches, muscle aches and skin changes.

We have a specialised women's health nurse for patients who want to discuss the menopause and appropriate treatments and support that are available. Book your appointment with Jayne to discuss your symptoms.

For more info visit: www.nhs.uk/conditions/menopause-and-perimenopause

For support you can visit the following national charities and support networks:

<https://themenopausecharity.org/>

Warm Welcome Spaces

Warm Welcome Spaces are spaces in the community who offer a warm space to go to. Warm spaces are heated and able to provide basic refreshments such as tea/coffee. They are inclusive, non-judgmental spaces where everyone can expect a warm welcome from staff and volunteers. Warm spaces are free to enter, there are lots of free activities that you can join and many spaces have free wi-fi and computers you can use. Every warm welcome space will have a safeguarding policy.

Over 14.4 million people live in poverty in the UK and 7% of people experience chronic loneliness.

To find your nearest Warm Welcome Space you can search the online map at www.warmwelcome.uk/find-a-space

The map enables you to search by location and will show you all the local Warm Welcome Spaces close to where you or a loved one lives. You will find details about when the Space is open and the activities on offer.

To get involved or register a Space, visit:

www.warmwelcome.uk

Climate Corner

Do you know your carbon footprint?

Take the questionnaire by visiting: <https://footprint.wwf.org.uk>

Our world is in crisis - from climate change to the pollution in our oceans and devastation of our forests. It's up to all of us to fix it. Take your first step with WWF's UK based environmental footprint calculator. It was created with the Stockholm Environment Institute at the University of York and the University of Leeds.

You can also download the My Footprint app to challenge yourself to make a difference by making small changes in your own life that add up to something bigger.

Flu and Covid

We have our Flu and Covid clinics well under way! If you are eligible, or if your child aged 2-3 still needs vaccinating and haven't booked your appointment yet, please contact us.

Getting your Flu and Covid vaccinations are the best way to protect you from serious illness.

Please note we will only be offering the Covid vaccine to patients aged over 75 years old and the severely immunosuppressed.

Remember our top tips when coming to our clinics for your vaccine:

Please don't come early, short sleeves = happy nurse, walk or park off site if you can to allow those who can't do so.

Thank you for your support.

Training

The surgery will be closed from 12 noon on Wednesday 14th October and Tuesday 24th November for training.

Please note, there will be no repeat medication line at Mowbray House on this day.

If you require urgent medical assistance before we re-open, please call the practice and follow the prompts.

In an emergency, please call 999.

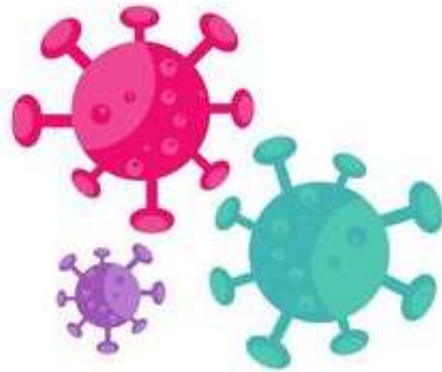

TATUK Virology

We are now offering a free test at home service for common respiratory viruses as part of national surveillance. If you have had a new cough, sore throat, runny nose or shortness of breath starting in the last 4 days, you can order a swab kit to your home. You will need our voucher code of B82050 and your NHS number. You will receive your results within 1-2 weeks via test message from the service.

Results – you will receive either a negative result, or a result for one of the following:

- SARS-CoV-2
- Influenza A and B
- RSV A and B
- hMPV
- Adenovirus

Macmillan coffee morning

Mowbray Group Surgeries took part in Macmillan coffee morning to raise funds to support the almost 3.5 million people in the UK living with cancer. We held a staff bake sale and managed to raise a fantastic £180.01!

WORLD'S BIGGEST
COFFEE
MORNING

The Hub

Free CPR Training at The Hub.

Friday 16th October is Restart a Heart Day. A day to raise awareness of cardiac arrest. A day to learn CPR. A day to learn how to use the AED.

Visiting the Hub at Hutton Rudby 6pm-7pm.

Please contact the Hub if you would like to attend.

World Menopause Day

World Menopause Day takes place on 18th October 2026.

Menopause and perimenopause are a natural part of life. This happens when your periods change and eventually stop due to lower hormone levels. It usually affects women between 45 and 55 but it can happen earlier. It affects anyone who has periods. Symptoms can include changes to your period, hot flushes and night sweats, sleep problems, mood changes and brain fog, weight gain, palpitations, headaches, muscle aches and skin changes.

Macmillan coffee morning

Mowbray Group Surgeries took part in Macmillan coffee morning to raise funds to support the almost 3.5 million people in the UK living with cancer. We held a staff bake sale and managed to raise a fantastic £180.01!

WORLD'S BIGGEST
COFFEE
MORNING

The Hub

Free CPR Training at The Hub.

Friday 16th October is Restart a Heart Day. A day to raise awareness of cardiac arrest. A day to learn CPR. A day to learn how to use the AED.

Visiting the Hub at Hutton Rudby 6pm-7pm.

Please contact the Hub if you would like to attend.

World Menopause Day

World Menopause Day takes place on 18th October 2026.

Menopause and perimenopause are a natural part of life. This happens when your periods change and eventually stop due to lower hormone levels. It usually affects women between 45 and 55 but it can happen earlier. It affects anyone who has periods. Symptoms can include changes to your period, hot flushes and night sweats, sleep problems, mood changes and brain fog, weight gain, palpitations, headaches, muscle aches and skin changes.

We have a specialised women's health nurse for patients who want to discuss the menopause and appropriate treatments and support that are available. Book your appointment with Jayne to discuss your symptoms.

For more info visit: www.nhs.uk/conditions/menopause-and-perimenopause

For support you can visit the following national charities and support networks:

<https://themenopausecharity.org/>

<https://www.womens-health-concern.org/>

<https://rockmy.com/>

<https://www.imsociety.org>

Warm Welcome Spaces

Warm Welcome Spaces are spaces in the community who offer a warm space to go to. Warm spaces are heated and able to provide basic refreshments such as tea/coffee. They are inclusive, non-judgmental spaces where everyone can expect a warm welcome from staff and volunteers. Warm spaces are free to enter, there are lots of free activities that you can join and many spaces have free wi-fi and computers you can use. Every warm welcome space will have a safeguarding policy.

Over 14.4 million people live in poverty in the UK and 7% of people experience chronic loneliness.

To find your nearest Warm Welcome Space you can search the online map at www.warmwelcome.uk/find-a-space

The map enables you to search by location and will show you all the local Warm Welcome Spaces close to where you or a loved one lives. You will find details about when the Space is open and the activities on offer.

To get involved or register a Space, visit:

www.warmwelcome.uk

Climate Corner

Do you know your carbon footprint?

Take the questionnaire by visiting: <https://footprint.wwf.org.uk>

Our world is in crisis - from climate change to the pollution in our oceans and devastation of our forests. It's up to all of us to fix it. Take your first step with WWF's UK based environmental footprint calculator. It was created with the Stockholm Environment Institute at the University of York and the University of Leeds.

You can also download the My Footprint app to challenge yourself to make a difference by making small changes in your own life that add up to something bigger.

Flu and Covid

We have our Flu and Covid clinics well under way! If you are eligible, or if your child aged 2-3 still needs vaccinating and haven't booked your appointment yet, please contact us.

Getting your Flu and Covid vaccinations are the best way to protect you from serious illness.

Please note we will only be offering the Covid vaccine to patients aged over 75 years old and the severely immunosuppressed.

Remember our top tips when coming to our clinics for your vaccine:

Please don't come early, short sleeves = happy nurse, walk or park off site if you can to allow those who can't do so.

Thank you for your support.

Training

The surgery will be closed from 12 noon on Wednesday 14th October and Tuesday 24th November for training.

Please note, there will be no repeat medication line at Mowbray House on this day.

If you require urgent medical assistance before we re-open, please call the practice and follow the prompts.

In an emergency, please call 999.

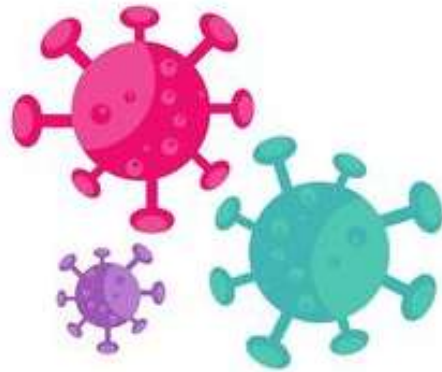

TATUK Virology

We are now offering a free test at home service for common respiratory viruses as part of national surveillance. If you have had a new cough, sore throat, runny nose or shortness of breath starting in the last 4 days, you can order a swab kit to your home. You will need our voucher code of B82050 and your NHS number. You will receive your results within 1-2 weeks via test message from the service.

Results – you will receive either a negative result, or a result for one of the following:

- SARS-CoV-2
- Influenza A and B
- RSV A and B
- hMPV
- Adenovirus

Remember our top tips when coming to our clinics for your vaccine:

Please don't come early, short sleeves = happy nurse, walk or park off site if you can to allow those who can't do so.

Thank you for your support.

Training

The surgery will be closed from 12 noon on Wednesday 14th October and Tuesday 24th November for training.

Please note, there will be no repeat medication line at Mowbray House on this day.

If you require urgent medical assistance before we re-open, please call the practice and follow the prompts.

In an emergency, please call 999.

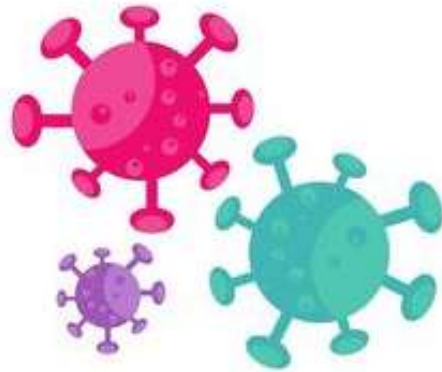

TATUK Virology

We are now offering a free test at home service for common respiratory viruses as part of national surveillance. If you have had a new cough, sore throat, runny nose or shortness of breath starting in the last 4 days, you can order a swab kit to your home. You will need our voucher code of B82050 and your NHS number. You will receive your results within 1-2 weeks via test message from the service.

Results – you will receive either a negative result, or a result for one of the following:

- SARS-CoV-2
- Influenza A and B
- RSV A and B
- hMPV
- Adenovirus

Macmillan coffee morning

Mowbray Group Surgeries took part in Macmillan coffee morning to raise funds to support the almost 3.5 million people in the UK living with cancer. We held a staff bake sale and managed to raise a fantastic £180.01!

WORLD'S BIGGEST
COFFEE
MORNING

The Hub

Free CPR Training at The Hub.

Friday 16th October is Restart a Heart Day. A day to raise awareness of cardiac arrest. A day to learn CPR. A day to learn how to use the AED.

Visiting the Hub at Hutton Rudby 6pm-7pm.

Please contact the Hub if you would like to attend.

World Menopause Day

World Menopause Day takes place on 18th October 2026.

Menopause and perimenopause are a natural part of life. This happens when your periods change and eventually stop due to lower hormone levels. It usually affects women between 45 and 55 but it can happen earlier. It affects anyone who has periods. Symptoms can include changes to your period, hot flushes and night sweats, sleep problems, mood changes and brain fog, weight gain, palpitations, headaches, muscle aches and skin changes.

We have a specialised women's health nurse for patients who want to discuss the menopause and appropriate treatments and support that are available. Book your appointment with Jayne to discuss your symptoms.

For more info visit: www.nhs.uk/conditions/menopause-and-perimenopause

For support you can visit the following national charities and support networks:

<https://themenopausecharity.org/>

<https://www.womens-health-concern.org/>

<https://rockmy.com/>

<https://www.imsociety.org>

Warm Welcome Spaces

Warm Welcome Spaces are spaces in the community who offer a warm space to go to. Warm spaces are heated and able to provide basic refreshments such as tea/coffee. They are inclusive, non-judgmental spaces where everyone can expect a warm welcome from staff and volunteers. Warm spaces are free to enter, there are lots of free activities that you can join and many spaces have free wi-fi and computers you can use. Every warm welcome space will have a safeguarding policy.

Over 14.4 million people live in poverty in the UK and 7% of people experience chronic loneliness.

To find your nearest Warm Welcome Space you can search the online map at www.warmwelcome.uk/find-a-space

The map enables you to search by location and will show you all the local Warm Welcome Spaces close to where you or a loved one lives. You will find details about when the Space is open and the activities on offer.

To get involved or register a Space, visit:

www.warmwelcome.uk

Climate Corner

Do you know your carbon footprint?

Take the questionnaire by visiting: <https://footprint.wwf.org.uk>

Our world is in crisis - from climate change to the pollution in our oceans and devastation of our forests. It's up to all of us to fix it. Take your first step with WWF's UK based environmental footprint calculator. It was created with the Stockholm Environment Institute at the University of York and the University of Leeds.

You can also download the My Footprint app to challenge yourself to make a difference by making small changes in your own life that add up to something bigger.

Flu and Covid

We have our Flu and Covid clinics well under way! If you are eligible, or if your child aged 2-3 still needs vaccinating and haven't booked your appointment yet, please contact us.

Getting your Flu and Covid vaccinations are the best way to protect you from serious illness.

Please note we will only be offering the Covid vaccine to patients aged over 75 years old and the severely immunosuppressed.

Remember our top tips when coming to our clinics for your vaccine:

Please don't come early, short sleeves = happy nurse, walk or park off site if you can to allow those who can't do so.
